

# DJM Personnel

QUALITIES SCHOOLS LOVE IN  
TEACHERS

## PROFESSIONAL

1. Having a knowledge of the curriculum appropriate to the year group being taught
2. Positive management of behaviour & ability to inspire students to learn and achieve
3. Able to deliver a differentiated curriculum
4. Able to communicate clearly with high level interpersonal skills
5. Knowledge of policies and practices of the school/organisation

## PERSONAL

1. Being adaptable and flexible to change to any situation or circumstance
2. Being a problem solver & quick learner
3. Being motivated and enthused to do any task
4. Able to self-manage

Most important of all - keep smiling! Showing kindness and being positive opens more doors and opportunities than ever imagined.
